Our Grimpound design has been named after a magical place located in Southern England – in the midst of the mysterious landscape of Dartmoor. Grimpound presents an original moorland oak with peaceful elegance and light planking effect. The meticulously detailed separation permits very bright and conversely extremely dark colour compositions. Particularly in dark versions, this decor has a striking nobility. A hint of diagonal bars and the striations inherent in the decor generate an appealing structure. Grimpound impresses with an understated play on colour and is ideal for combination with unicolour and metallic surfaces. An attractive design for creating individual furniture.

我们的葛林斯庞设计是以英格兰南部一个神奇的地方命名的一一一位于神秘的达特穆尔景观之中。葛林斯庞呈现了一种原始的沼泽橡木，具有平和的优雅和轻盈的铺板效果。极细腻的分离效果允许非常明亮和相反极暗的颜色组成。特别是暗色的版本，低调奢华高贵。斜杠纹路和花色中固有的条纹产生了一个吸引人的结构。葛林斯庞以低调的色彩打动人心，是单色和金属表面搭配的理想选择。一个有吸引力的设计创造出特色家居。
