

## TECORELEASE    Structural

|                        |  |
|------------------------|--|
| Charakteristik:        | TECORELEASE Structural is a white embossed release paper with a high tensile strength for multiple use. The release coating consists of non-polluting, solvent-free polymers which are cross-linked with the electron beam curing technology (EBC). The result is a durable surface which is ready for use. TECORELEASE Structural is used for the production of CPL on double belt presses. |
| Basepaper weight       | 150 – 190 g/sqm ± 6%   |
| Width                  | up to 2180 mm  |
| Roll length            | as per agreement   |
| Temperature resistance | Temporarily up to 180°C  |
| Release Coating        | Solvent-free coating based on radiation curable polymers and additives to optimize release properties and to adjust gloss level.   |
| Ecological Details     | TECORELEASE Structural release papers are free of toxic heavy metals. The release coatings are free of hardener.<br><br>TECORELEASE Structural release papers are technically free of chromium and chlorine  |
| Storage                | 6 months<br>cool and dry in original packaging<br>(approx. 20°C, 55-65% air humidity)  |
| Disposal               | TECORELEASE Structural release papers, if not to be reused, may easily be disposed via a domestic refuse dump or an incinerator. The deposit has to be made in accordance with responsible authorities.  |

The information provided in this specification is based on actual practice and on the results of in-house testing, and is consistent with the current level of our knowledge. This information is intended merely as a guide and shall not be deemed to provide any warranty of specific product properties or suitability for a specific application. Since we have no influence on materials and processing conditions, we cannot be held liable for anything arising from this specification. This specification has a validity of 12 months after date of issue.

Our international terms and conditions of sale and delivery apply in all instances. Valid versions of terms and conditions can be found on our website [www.surteco.com](http://www.surteco.com) and can also be sent upon request. Your adverse or deviant business terms do not place any obligation upon us.
